Administrator McCarthy:

Below are hot items for this week:

# Non-Responsive

2) Oregon CZARA. I will be discussing what is needed to resolve a pending disapproval of Oregon's CZARA program with Richard Whitman of the Governor's Office and Dick Pedersen this week. Will Stelle from NOAA will join me as NOAA shares jurisdiction over CZARA with us and there are overlapping issues with salmon recovery under the Endangered Species Act (ESA).

## Ex. 5 - Deliberative
